Peace be upon you

My honorable brother by Allah it is my mistake and I ask you for forgiveness you were not negligent hopefully I have not caused any kind of problems and your explanation was thorough however the mistake came from me because I did not pay close attention to this necessary point however Allah willing it will not repeat and I thank you very much for your personal concern my honorable brother I hope that the brothers understand that I did not do it intentionally and that it was a mistake on my behalf and had nothing to do with your explanation because it is clear and Allah willing we will see you well thank you very much with success my brother

May Allah bless you

And peace be upon you
